

BearShares Venture Design - READ ME

for: potential donors

by: house _ 02/29/24

This message is to serve as a simple notice that we will be considering your potential funding as 'donations'.

After reviewing the attached venture design document, if you choose to donate to our venture, you will receive a \$BSD digital token as a simple receipt to represent your donation. (full details inside)

Thank you for considering to donate to our venture!
